

Week 17 Sit-Start/Weekend Edition
 Brad Kruse, FootballDiehards.com

In this Start Em / Sit Em column each week, I'm looking to find some fringe players that you might consider starting each week and comment based on their matchups. Early on, I'll base my selection of candidates on where they were with respect to ADP. I'm not going to try to pad my stats by suggesting your start Josh Allen each week, but instead trying to dig deep and find some nuggets for players to avoid or to go after. These are coin flip guys and if I can finish the year at better than 60% I'll consider it a success. My metrics to get the start decision are: QB 20 pts or more, RB, WR or TE need to score 12 pts or more for a successful endorsement. Defense/Special Teams should put in 8 points or more to get those picks right. I'll look at ~3 players on each Thursday night's game and ~ 6 players for the rest of the week to get you going.

Player	Pos	Team	Opponent	Start / Sit	Comment
Baker Mayfield	QB	TB	NO	START	Look for Mayfield to keep rolling in week 17
Zamier White	RB	LV	IND	START	With Josh Jacobs doubtful, White gets another shot this weekend
Ty Chandler	RB	MIN	GB	START	Chandler has been playing well and with Hall drawing the QB start, they will rely on the RB more than usual.
K.J. Osborn	WR	MIN	GB	START	With Addison and Hockenson out, Osborn bumps to no. 2 on the target list. Throw in Jaire Alexander's suspension and it's a great spot for Osborn. The new QB will be the question
Zay Flowers	WR	BAL	MIA	START	Flowers has scored 20pts or more in 3 of his last four starts. He gets what could be a shootout game vs Miami
Noah Brown	WR	HOU	TEN	START	Tennessee ranks 21st against opposing WRs and CJ Stroud should be back for this one. Tank Dell is OUT and Robert Woods hasn't been impactful. Look for Brown to play a significant amount of snaps and deliver a startable fantasy week
